MILFS

To *MILFs*,

I love the summer. The sun, the heat and the chance to spend some time by and in the pool. I'm a bit of a water baby and love to swim sans suit. I love the sensation of water flowing over my naked body and I leisurely swim in our backyard pool. As I surface between strokes, I can see my husband Blake, working on some of his office papers on a table at the side of the pool. He looked up as I made my way down to his end of the pool, and raised a glass of fruit juice in salute. I smiled at him and continued with my laps.

As I made the turn at the far end of the pool, I saw Blake's business partner Lawrence came into the pool area. He walked over to Blake and bent down and spoke to him. Blake looked in my direction for a moment, and then he smiled at me and nodded at Lawrence.

Lawrence turned and walked back into the house. I swam back to where Blake was anchored and asked what Lawrence wanted from him. He was always taking Blake away on some business matters and I rarely got to spend time with him.

Without looking up from his paperwork, Blake tells me that Robert from the office was bringing some more papers over that needed their immediate attention. I looked at Blake and shook my head slowly. I puckered up my lips and blew him a kiss and turned to swim yet another lap or two. As I made my way down the length of the pool, I felt an exciting feeling that I always got on occasions like this. My nipples stiffen and I get that exciting warm glow deep in my stomach. No matter how many times it happens, I always felt this way when I knew that there was a possibility a stranger was going to see me naked.

I got out of the pool and walked over to get my towel near Blake. He smiled and reached out and gently caressed each one of my breasts telling me once again that I have a beautiful body. A body as perfect as mine should be

Dear editors,

I can't believe what I saw inside you latest issue of MILFs. *Gigi (our covergirl) getting fucked by two guys. She looks so sweet, like the girls next door, like the college cheerleader, not the like the mom we all want to fuck. But there she is in all her slutty splendor sucking on two big dicks and then getting penetrated by them. Normally I wouldn't be writing to anyone, but I just love petite blondes and to see one as seeming naughty, not nasty, as her was an incredible turn on. Keep up the good MILFing.*

admired by everyone. I gripped his hand and smiled. I sat in the chair next to him, nude, and took a sip of my drink. He put his pen down and we started talking about our earlier times together.

As our relationship blossomed, I discovered the pleasure it gave him to see me naked. Right from our early days as lovers he used to encourage me to undress for him as soon as we were alone and in the privacy of our own home. He never seemed to tire of admiring my naked body. As for myself, after a bit of initial shyness, I soon discovered that displaying myself to him in this way also gave me pleasure. Even when we went out, Blake liked to see other guys admiring me.

One day we set off out of town for a day walking out in the countryside. We parked at a well known beauty spot and took a trail through the woods following a stream. After an hour or so walking, we found ourselves in a secluded clearing in the woods where a small waterfall dropped gurgling into a crystal clear pool. We looked around and decided that this would make an ideal spot to eat our food and rest for a while. We spread a blanket out, and while he laid the food out, I took my shoes off and dangled my feet in the cool water. It had been warm walking and the cool water felt great.

We ate our lunch by the stream and spent time talking. We nuzzled and kissed and I told him that I felt like taking a dip in the water, but I hadn't brought a swimsuit. He asked if I really needed one since we were so far away from everything and everyone. Who would see me? I looked at him for a moment, all sorts of thoughts going through my head. Could I do it, undress out here in the woods? What if someone should come along? But then what was the chance of that? We had seen no one all morning. I suddenly made my mind up. I got to my feet, and slowly removed my clothes. I was an exciting feeling when I stepped out of my panties and stood there naked with the sunlight warming my flesh. With one last look around, I slipped into the water. It felt cool, naughty and wonderful at the same time. I turned and looked at Blake, and to my surprise, I saw he was also undressing and soon he joined me in the stream.

He came over, took me in his arms, and pressed my naked body against his. I cold feel the hardness of his cock pressing against my stomach as we kissed. I realized that he was very much aroused. Reluctantly we broke apart and splashed around in the cool water together. Then he helped me out and we lay on the blanket. I made no objection as he leaned over and kissed each of my hardened nipples before easing himself between my legs. The next moment I experienced that wonderful moment as he entered me. Sex with Blake was always wonderful, but this time, with the added excitement of being outdoors and with the chance of being observed, made the sensations even more exciting for the both of us.

After we had rested from our swim, we sat and drank some more wine, still remaining naked while letting the warm sun dry our bodies. With the bottle finished, we packed away the remains of our picnic, and I was about to put my clothes on when

Jessie, is this the model you want to meet? – Ed.

Blake laid a hand on my arm and stopped me. I looked at him and he asked if we could walk to the car like this – naked. I hesitated, but everything had been going great and there didn't seem to be anyone around so I smiled and said, "Let's do it." Blake smiled as he packed our clothes into his backpack, and luckily or unluckily, depending on how you look at it, we came across no one. We walked most of the way back to where we had left the car before putting on some clothes. I think that day, the outdoor sex and the naked walk back to the car, was a bonding moment in our relationship. I must admit even now, I enjoyed the whole experience so much: being naked tinged with the excitement of possibly being caught by strangers. I knew that Blake enjoyed it as well.

Breaking our discussion were Lawrence and Robert and the armful of papers they brought to the table. I got up and walked over to the edge of the pool, letting the three men watch my tight firm booty walk away from them. Robert accidently knocked my glass off the table and I turned to giggle at him. Having done so, I dove into the pool and drifted away to naked nirvana.

From me!

It all started when I wrote to the editors of this magazine about one of the models I saw. Her name was Jezebelle and she was in a pictorial in one of your issues. She was in a sex scene with some dude, but I was so totally fixated on Jezebelle that I didn't even get the guy's name. She was very attractive and sexy and I would do her in an instant. Jezebelle got me quite wet and I have to acknowledge that.

I just told them that I wanted to be introduced to her and see what would happen from there. I mentioned that I had dabbled with girl-love but it had been a couple years of boys until I saw that pictorial. I told them I don't look at adult magazines but I was over at my boyfriend's house one night and found that issue in his desk drawer. We got into a huge argument about girlie books and I ended up storming out of his apartment at two in the morning with the mag.

When I got home, I was about to rip it up and throw it out but I couldn't do it. So rather than try to tear the whole issue at once, I grabbed a few pages and started ripping. I did a few pages and noticed that I had torn a page with this gorgeous girl on it so I had to stop and look at her. Her breasts were quite large, and her nipples were perfect. They we erect and wet from being kissed. They were dark and round and calling my lips.

Okay, so I couldn't sleep, I was thinking of that chocolate goddess. As I lay in bed, I slipped my hand down to my wet pussy and started caressing it. I though I would just do me a quickie so I could get to sleep. But the more I touched and rubbed, the hotter I got. I found myself thinking about Jezebelle and rubbing harder and harder. I slipped a finger in my pussy, and then two and three, and pushing them in hard. I usually don't put my fingers inside me, but I couldn't stop myself. After about ten minutes and getting even hornier, I forced myself out of bed and went to the bathroom to get that torn page I first saw.

I reached into the can and pulled it out, sat pantyless on the toilet seat and looked at her. My clit was hard, my pussy was wet and my fingers smelled of it. I must have come twice sitting there. I laid the magazine on the sink with her picture on top, went to bed and finally fell asleep.I woke up in the early afternoon to the phone ringing and my boyfriend's irritated voice telling me what a bitch I was; it's what men do; he still wants me. I listened for a minute then told him I needed to cool off. I told him I threw the mag away and if he wants to look at that stuff, he should go out and buy another one - or two - or three.

Well, enough of that. I told the editors that I would really like to meet her but nobody's responded.

I think the guys like fucking a smaller chick because her pussy and ass are usually smaller, too. Plus it's a lot easier to man-handle her and put her in the positions they want. Being five-foot-two, the bigger the guy is the better because he'll fill me up more and rub my insides better and I like that."

Let's see what's on the neighbor's rack

A couple years ago, my neighbors placed their house on the market but because of the bad economy it did not sell and ultimately they went into foreclosure. A professional couple bought it several months ago and I still have not gone over to introduce myself, but I thought today might be a good time. The husband always seemed to be busy and not around. His wife, Olivia, seemed friendly and usually in her smiling mood as she worked around the front yard. About a week ago I saw her outside and went over to introduce myself. She greeted me warmly and told me her name. I told her mine was Andre. She asked if that was like the famous tennis player and I said it was.

I wouldn't say she has the prettiest face but she was very cute in her own way. Although she didn't have a model figure, she was voluptuous with a slightly large top and an nicely big bottom. I'll say right up front that I had wicked ideas of bedding her if I got the chance to. She loved to act innocent but I knew that she was a real hottie deep inside. I started to make plans and opportunity to get near to her as often as possible without being too obvious, but that would take some balls.

My first opportunity came when their moving truck arrived. The movers left lots of boxes just outside her front door, I took the opportunity to help her out in order to gain some credibility. She was grateful and welcomed my help to carry those boxes into the house because her husband was away on business and they weren't expecting the movers until then weekend.

Yes, I was planning to tempt her whenever I could. I kept myself busy moving boxes but at the same time, keeping an eye on her most of the time. She was casual in her shorts and t-shirt. I just could not hide my arousing bulge when I happened to walk into one of the room and saw her bent over, unpacking something. Her shorts had ridden up, exposing almost half of the bottom of her ass cheeks! I could not help myself so I pretended to put the box which I was carrying down on the floor slowly as if it was so heavy. Well, of cause I did it just behind her to get a clear view of her luscious ass. The shape of her two asscheeks were clearly as the light fabric strained against her butt!

As she worked unloading the contents of the box, she did not seem to be aware of what she was showing – or could it be that she was teasing me, too? I just took my time and let my eyes lust after her ass. How I wished I could just pull those shorts down and stuff my cock into

She greeted me warmly and told me her name. I told her mine was Andre. She asked if that was like the famous tennis player and I said it was.

that ass, but I knew that was too far-fetched! What if she turned around and gave me a hard slap? After a short while, she stood up and walked over to the box I had just set down. As she sat down next to it, I made no attempt to hide my bulge. I decided to show her to hint that her ass had made me so aroused! While she was sitting on the floor unpacking, I intentionally stood up and took some stuff out from the top of the big box. In that position my bulge would be directly at eye level in front of her face. I knew she could not possibly miss it.

I did not look at her directly to be too obvious but I did see from the side glance of my eyes that she did look at my it. Not just once but several times and I noticed that she was actually staring at it as if she was trying to visualize it in her mind. At the moments when I knew she was looking at it, I made my bulge push outwards several times with small hip movements while I helped her unpack the box. She did not say a word – nor did she object. It almost seemed as if but she seemed to be enjoying it so I knew I might have some sort of a chance. At the same time, I managed to look down at her cleavage occasionally and had no problem peeping in as she was wearing an oversized t-shirt. I always knew she was hot and she did prove me right. She was actually wearing a push-up bra, which helped make her cleavage looked even deeper and both her nipples seemed erect, too. I was thinking fast as to how to make the next move.

As she was folding her clothing, I pulled out a bag full of her intimate garments. I pulled out a pair of sheer panties and put them in front of my face. She saw me and was clearly embarrassed and so to break the silence, I complimented her on her fashion choices in lingerie. We both could not help but burst into laughter and thereby breaking the ice. I chipped in further by saying that her husband is a very lucky man to have her.

She told me that he was always busy and too involved with his work to notice her anymore. Some of her lingerie she hadn't even worn. I took that to be a big hint that she had just thrown out – intentional or not. It seemed to me that she was picking up the clues and decided to play the flirting game with me. I started to lay it on even thicker by telling her that if I were him, I would keep her warm every night! She looked at me and smiled embarrassingly. Well, talk is cheap. I upped the stakes by adding more flattery which most women love to hear like 'You are such a sexy and beautiful lady and I'm sure many guys would love to be with you.'

Apparently feeling a bit more comfortable with me, she started to take out her sexy lingerie as if she wanted to show it off to me. She was sitting on the floor with her legs crossed as it was more comfortable for her but also good for me as I could see part of her panties from her inner thighs through the gap of her short shorts. I sat opposite her and, at times, her eyes seemed to be glancing at my obvious bulge as I did not bother to hide it. She caught me peeking at her crotch and looked down and saw herself exposing a little too much. I was encouraged when she did not make any effort to cover herself but she seemed to spread her legs slightly wider. I was thinking fast and I decided to risk it by asking, "By the way, can I just ask you for a small favor?"

"I was thinking of buying some sexier things for my wife. You seem to have such good taste with it. What do you think she might like?

Rummaging through her lingerie, she took out most of it and picked out one particular piece which she told me was her favorite. She passed it to me and it was quite

sexy. I told her that it may look nice holding up here, but I can't imagine what it would look like if she was wearing it. I took another daring step forward by asking if she would try it on for me so I can see what it's like on? She thought for a moment and said she would.

So I sat there, with a hard cock, in anticipation of what to come next. She went into the bathroom to change and came out wearing that sexy lingerie. I looked at her as though I was going to devour her anytime soon! She came near to me and stand in front of me. It was a sheer pink baby doll that discreetly exposed all the intimate parts of her anatomy. The front top part where the breast were, was totally transparent in a twin circular form to enhance her boobs. The bottom front were completely see through in a triangular shape to emphasis her crotch. She was still wearing her pink g-strings panties but it was also transparent that I could see a small patch of her pubic hair. And when she turned around, the bottom back part was also see through, which showed her big curvy ass barely protected by a thin floss of string panties. And at that moment when she was playing and modeling herself to me, I had already made plans in my mind that I would fuck her sooner or later. She was obviously enjoyed teasing me.

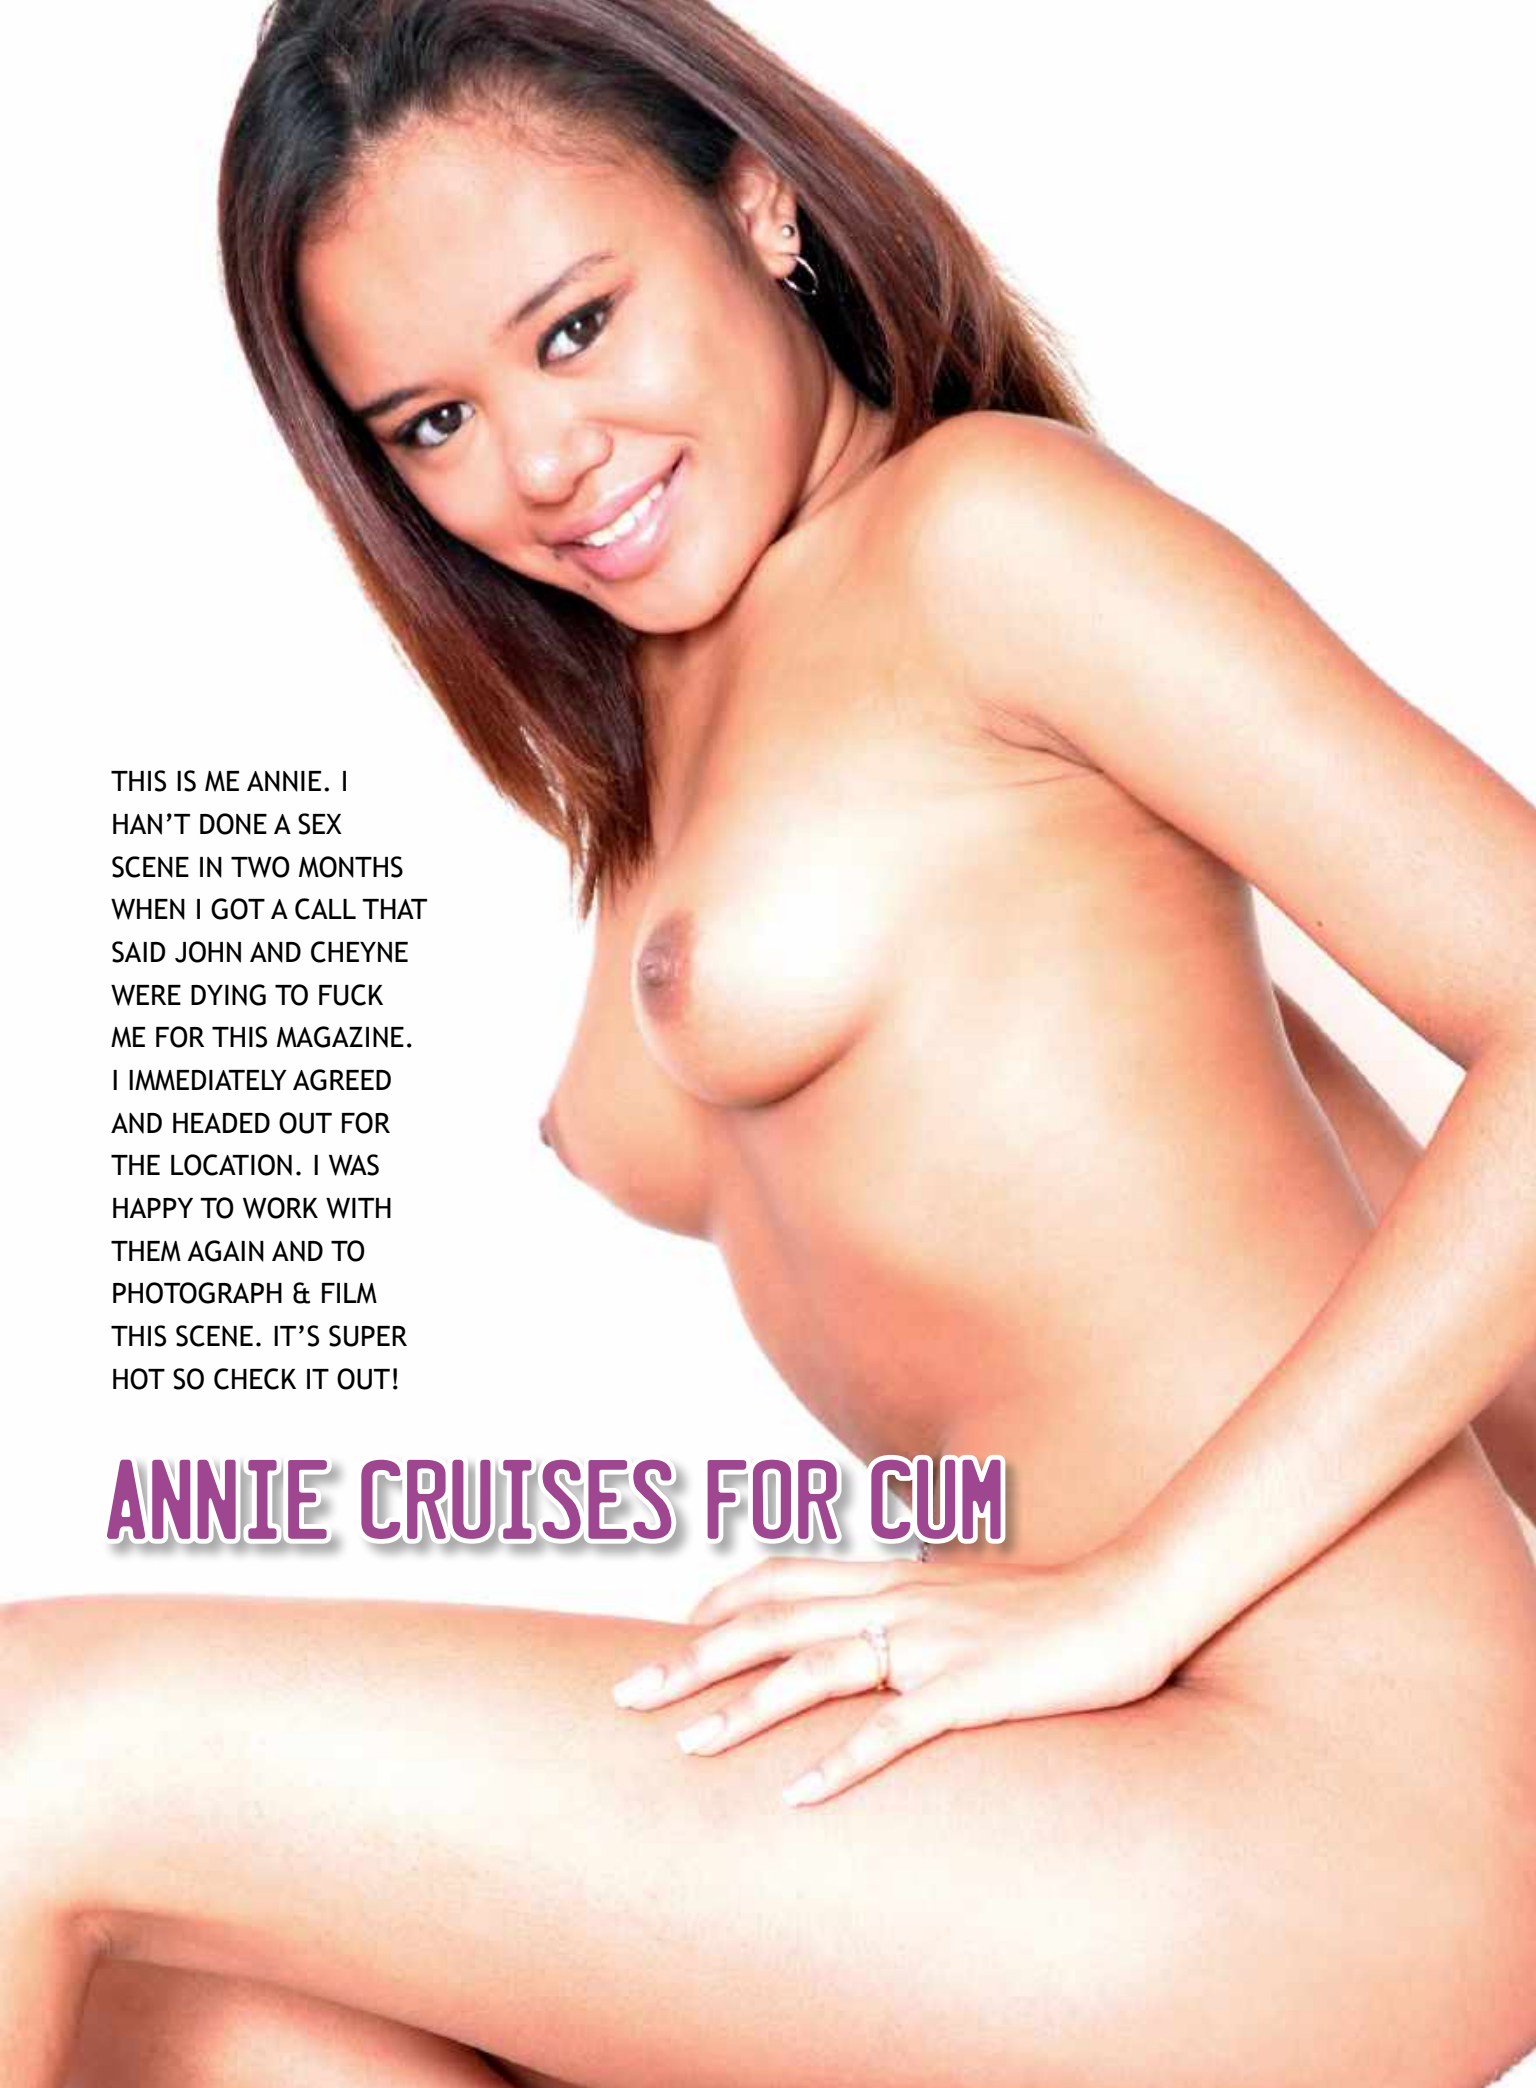

Asking me if I liked it, I responded by saying "Look at my pants and the answer is already there!" She looked at it and smiled in return and said. "I did told you that this lingerie will turn on any guy!" I could see that she was turned on too! Now was my chance...

"Olivia, since you made it so hard, are you gonna help me to cool it down?" I pulled her down and she lost her balance slightly and sat on my lap instead. With my one hand grabbing and groping her ass while the other hand went straight to her crotch. It was damn and wet. She did not resist either. She seemed to be waiting for something to happen. I took her hand and placed it on my bulge and made her rub it and let her feel my cock. I then quickly pulled my shorts down and proudly show my hardness to her. She held on to my pole and slowly jerked it up and down, bringing it to life! At that time, she opened her mouth, trying to say something and no words came out of it but only heard her soft moans. Guess it's was time to shaft my hard cock into her hungry mouth!

Without another word, she gets on her knees and begins to suck my cock. Slowly at first and then picking up steam. My hands reach down under the lingerie and I massage her full boobs, finding the nipples with a gentle twist and pinch. A muffled moan comes out of the sides of her mouth as her mouth gets hungrier and hungrier for my cock.

But alas, dear reader, I must stop here and pull her head off my cock so I can tell you to come back next month and see how far we go. And to see of her husband comes home and walks in on us. Or to see if my wife comes over looking for me. My oh my, what will happen?

Without another word, she gets on her knees and begins to suck my cock. Slowly at first and then picking up steam.
